Camp Guidelines:

- **Age Limits**

All campers must be the appropriate age before the start of their camp session.

- **What to Bring**

Campers will spend their time both indoors and outdoors during camp programs. Your child should wear clothes that are comfortable for indoor/outdoor activities and hands-on, occasionally messy fun. We strongly recommend that campers bring a water bottle to stay well hydrated. Campers may wish to bring a backpack to carry extra clothing and take projects home.

- **Weather**

Garden Camp utilizes the natural environment of the Garden as much as possible during each session. Your child will spend the camp day both indoors and outdoors when weather permits, including light rain. Please send campers with the appropriate clothing depending on the weather forecast.

- **Snack**

We provide a healthy, peanut-free snack for all camp attendees. If your child has food allergies, please make us aware upon registration. We do our best to provide snacks that all campers can consume, but if your child has food allergies that may prevent them from eating the provided snack, please pack an alternative.

- **Lunch (full-day camps only)**

Please send a peanut-free lunch for your child that does not require refrigeration. Campers will eat lunch together during our supervised lunch break.

- **Special Health Needs**

If your child has special health needs, please make us aware upon registration. It is the parent's responsibility to provide all necessary information to the Garden prior to your child attending camp.

- **Accessibility**

The Garden's Fischer Visitor Center and most of the grounds are ADA-compliant. Handicapped parking spaces are available in the parking lot.

Parent Information:

- **Medical & Consent Forms**

Please complete the Garden Camp Medical & Consent Form and return with your registration. These forms are used in an emergency and to identify any special needs such as allergies and asthma, as well as to identify who is authorized to pick your child up from camp.

- **Photo Release**

By registering for Garden Camp, parents/guardians consent that children may be photographed and that the photos may be used in future Green Bay Botanical Garden publications and promotions. Please check the photo consent portion on the Medical & Consent Form.

- **Drop Off / Pick-Up**

Campers should arrive at the Fischer Visitor Center 10-15 minutes prior to the start of camp. Groups will leave the Fischer Visitor Center promptly at 9:30 am each day. If a child misses the departure of their group, it is the responsibility of the parent to escort their camper to the

appropriate location for the day. Campers should be picked up in the Fischer Visitor Center promptly at the end of camp.
