

Boxed Dinner Menu

Boxed dinners only available with online pre-orders.

In an effort to learn from the Washed Ashore Project and help reduce single-use plastics, we're moving toward reusable and eco-friendly packaging options. While not yet fully transitioned, we are introducing reusable items like canning jars, utensils, and real cotton napkins — all returned, washed, and reused throughout the season. Thank you for supporting our journey toward positive environmental change!

The Wedge
